

SHORT SLEEVED BOWLS OR POLO SHIRT SIZE GUIDE

S.19.004.V6 - Updated 24th November 2020

Warning: The measurements shown refer to a garment not to a person

***Placket Width:**

The measurements provided are for a traditional button up placket.

For products that require a blouse neck style, such as style 49, then the placket width must be 6.0cm.

^Logo Centre from Back of Collar:

The logo positioning should be measured from the back centre of the shirt to the centre of the logo.

Some designs require the logo positioning to be adjusted to fit within the design, e.g. for hooped shirt (Style 7) the logo must sit in the middle of the hoop.

On all shirts with collars and plackets, the standard requirement is that the middle of the logo should be in line with the bottom of the placket.

In case of confusion, query this with head office.
